

Hyosung is proud to introduce the latest addition to the retail family – the **5200SE**. The **5200SE** delivers maximum service and security for retail locations with large transaction revenue potential, combining the usability and maintainability of a retail ATM with the advanced functions and security of a financial institution cash dispenser.

KEY FEATURES

INNOVATIVE DESIGN

The striking design and advanced function options of the **5200SE** make this ATM the ideal choice for bank-branded, high-end retail locations and sites requiring greater security. The **5200SE** offers a brilliant 12.1-inch TFT LCD monitor with a function key.

HIGH CAPACITY

The **5200SE** cash capacity ranges from a single 1,000-note cassette to three 2,000-note cassettes, providing a maximum load of 6,000 notes. Using proven Hyosung dispenser technology, the **5200SE** is the ideal platform for high transaction volume sites.

ENHANCED SECURITY

Security is essential with any ATM and especially for cash dispensers with a large cash capacity. The **5200SE** offers customers a choice of a UL 291 certified business hours safe with enhanced break-in protection or a heavy-duty Level-1 safe. Enhanced physical protection includes a reinforced cash tray and heavier metal plating. For added intrusion and fraud security, the **5200SE** offers a camera-ready fascia, optional anti-skim EMV card reader and support for Transport Layer Security (TLS) network encryption protocol.

RELIABILITY

The **5200SE** can be counted on to stand up to heavy use. The system incorporates Hyosung modular component architecture designed for high reliability, quick and easy service and accessibility.

SPECIFICATIONS

DIMENSIONS

- Height: 55.4"
- Width: 15.7"
- Depth: 22.8"
- Weight: 287 lbs.

ENVIRONMENTAL

- Temperature: 32°F - 104°F
(0°C ~ 40°C)
- Humidity: 20% – 85%
